	Flexible and Alternative Regulation)	

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request of USA Video Relay, Inc. (“USA Video” or “Company”) for an extension of six (6) days to file the Company’s direct testimony regarding USA Video’s Application for a Certificate of Public Convenience and Necessity.

Dates for filing testimony and exhibits in the present docket was set forth in letter, dated December 3, 2004, from the Executive Assistant to Commissioners/Sr. Technical Advisor of the Commission. By this letter, USA Video was required to prefile the Company’s direct testimony and exhibits on or before January 6, 2005.

USA Video, by letter from the Company’s President, seeks an extension of six (6) days to file the Company’s direct testimony. USA Video asserts that its request for an extension is necessitated by a scheduling error on the Company’s part. USA Video requests that the Commission grant the Company an extension of six (6) days to prefile

its direct testimony until January 12, 2005. USA Video advises the Commission that counsel for the Intervenor in this docket, South Carolina Telephone Coalition (“SCTC”), does not object to the requested extension, and USA Video filed a copy of the correspondence from SCTC’s counsel to that effect.

The Commission finds the request of USA Video reasonable, finds that the request will not unduly prejudice any party, and therefore grants the request to extend the prefiling date for the Company’s direct testimony and exhibits. We note that USA Video prefiled the Company’s direct testimony with the Commission on January 12, 2005.

IT IS THEREFORE ORDERED:

1. USA Video Relay, Inc.’s request for a six (6) day extension in which to prefile direct testimony and exhibits is granted until January 12, 2005.
2. This Order shall remain in full force and effect until further order of the Commission.
